

**Serving Your
Metal Finishing
Needs Since 1956**

We have proudly served our customers for three generations with a reputation of exceeding industry standards. Our ISO9001 certified quality assurance and control system ensures you of a consistent quality product every time.

In 2016, we added a new and larger anodize line and achieved NADCAP certification for our lab and overall quality system.

Give us a call today at (574) 259-5491 or email us at info@rci-products.com to see how we can work together to make your products even better!
